Re: **Law Application Guideline – Contact To The Head**

In response to queries raised about World Rugby's letter regarding "Law Application Guideline – Contact To The Head" circulated on December 14, 2016, World Rugby confirms that the use of "accidental" is for on-field refereeing management purposes only and is not intended to be referred to or used for citing or judicial purposes.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "David Carrigy".
